

## **Vision Statement**

The Art Board of The Presbyterian Church of Bowling Green recognizes the important role visual arts have played in personal expression and in religious life through the ages. As part of our church outreach ministry, our gallery displays art in a variety of media. Through periodic exhibits, artist receptions, and participation in local art events, our gallery contributes to the creative dialogue between church and community.

## **Call to Artist**

### **Overview**

The Presbyterian Church Arts Board invites artists to submit to exhibit in Gallery TPC. The gallery in the Fellowship Hall serves as an event space for the entire south central Kentucky community. Art must be hangable watercolor, acrylic, oil, mixed media, and photography.

### **Exhibit Space**

The Fellowship Hall is a 50'x60' space with can lights which light individual works of art. All work is hung from a traditional picture rail. Please be prepared to hang each piece with this format in mind. The Fellowship Hall is open to the public M-Th from 8:30am until 4:30pm, Friday morning, and Sunday morning if you wish to VIEW the exhibit space.

Each exhibit displays 25 to 40 pieces of art. Artists with fewer than 25 pieces will be considered for a joint exhibit with other artists.

Exhibits typically hang for six weeks. The annual exhibit schedule is set each January for the new year. Artists are advised to submit application prior to December to be considered for the coming year.

Receptions are held for artists who participate in *Evite* invitations arranged through the church.

### **Sales**

Sales are encouraged, although it is not mandatory to have artworks for sale to be eligible for an exhibit. No percentage on any sale is taken by the church. Artists provide contact information for prospective buyers who then contact artists directly to arrange payment and delivery following the end date of the exhibit.
